International Design Competition

Submission Requirements

POSTER BOARD PRESENTATION

- Projects must be submitted on only one 30 inch by 40 inch (760 mm by 1016 mm) foam core board in **landscape format**, with the shorter, 30 inch (760 mm) side oriented vertically.
- The poster board must be a maximum of ½" (13 mm) thick.
- The back and front of the submitted board may not have any projections and should present a surface that is completely flat.
- The urbanSHED International Design Competition sponsors will review all entries for compliance with the submission and presentation requirements, and they will determine whether boards may be presented to the Jury. The sponsors' decision is at their discretion and is final.
- The Jury will not be shown and will not review any material beyond the single board submission.
- Registration number must be on the board.
